## **ABOUT US**

Illambazar Nursing Institute is a new endeavor to cater the demand of nursing professionals required in health care services. Nurses are the backbone to the healthcare sector and play a pivotal role in providing effective healthcare services and recognizing the requirement and shortage of efficient and skillful nursing personnel in the healthcare sector. Illambazar Nursing Institute is providing the best nursing courses in Birbhum District, an institute founded on the principles of trustworthy and integrity in both the educational and healthcare sectors

# VISION

The vision of Illambazar Nursing Institute is to create, mould and develop excellent and multitalented nursing professionals and leaders to save the life of individual, family and communities through innovative nursing education and research activities.

# MISSION

The mission of Illambazar Nursing Institute is to inculcate academic excellence and global competencies among nursing professionals and to create a healthy environment for the generation of new knowledge, skill through research studies, innovative teaching and learning pedagogy.

Faculty and students strive to challenge and support one another, to accept responsibility and require accountability, and collaborate in the best interest of one another and the communities they serve.

# SCOPE

With the world population, aged population and demand for quality healthcare rising steeply, nurses will always continue to be in high order. Also, the healthcare industry is rapidly expanding, creating more and more job opportunities for nursing professionals. Since their services are an indispensable part of our society, the nursing profession is here to stay.

India has long been known as a hub for nurses and often looked upon to supply nurses to the 1st World Nations. Before you look into being a global nurse, make sure you know about the equally amazing opportunities in India. However, Nursing Graduates after their registration with State Nursing Council, have lot of job opportunities in Govt. /private and corporate hospitals and even overseas.

For their vertical growth, avenues are opened for further higher education like Post Basic B.Sc. (Nursing), M.Sc. (Nursing) & Ph.D.
